Find your muse!

- 1) Choose the design. Select from existing patterns or decorative pieces or share with us the images that are your source of inspiration and that you would like us to reinterpret.
- 2) Specify your mosaic/mural project's dimensions.
- **3) Select colors and finishes**. Request a color rendering to help you confirm your selection. Drawing fees apply for color renderings.
- **4) Request a quote from MML**. We will assist you in achieving what you want within your budget, by providing suggestions and options and preparing for any possible contingencies.
- 5) Samples can be supplied upon request to ensure correct design, color choices, color shading, and finishes

Please contact your favorite MML showroom.
